

FRAMING, SHEETROCK & TAPING CLASS

Anchorage School District
Educating All Students for Success in Life

ATTENTION STUDENTS!

FREE Hands-on training!

MARCH 12TH-16TH (SPRING BREAK)

Monday—Friday, 8am—5pm (5 full days)

Alaska Works Partnership Training Center

161 Klevin St. Suite 203 Anchorage, AK 99508

This is a **FREE** training for students who have had at least one quarter of **Material Science or Carpentry!**

This 40-hour Framing, Sheetrock & Taping class will cover: layout and framing of walls which will be attached at partitions and squared, material handling, storage, layout, cutting, application and installation of sheetrock, proper application of joint compound, tape and corner bead, and patch/repair of sheetrock.

Requirements

- ◆ Submit your application online at www.alaskaworks.org under the **ASD Youth tab**
- ◆ You must have had at least one quarter of Material Science or Carpentry to be considered for this training.
- ◆ Seniors will be given preference for this training; applications considered on a first come, first served basis.
